

# Product Change Notification

## PT-10 24VDC Positioner

**Description of Change:** The PT10 24V Air and Oil positioner size has changed in height and width.

**Classification of Change:** Product Change

**Reason for Change:** Supply chain issue with internal component causing ROS to increase size of housing (see attached drawings). ROS does not expect any impact with size change with customer's application

**Expected Influence on Quality/Reliability/Performance:** No impact

**Part Number/Series/Family Affected:**

Current Part #	Type	New Part #
21-10010-01	Air	21-30558-01
21-10000-01	Oil	21-30545-01

**Time Schedule:**

Last Time Buy Date: Effective Immediately

Last Time Shipment Date: Effective Immediately

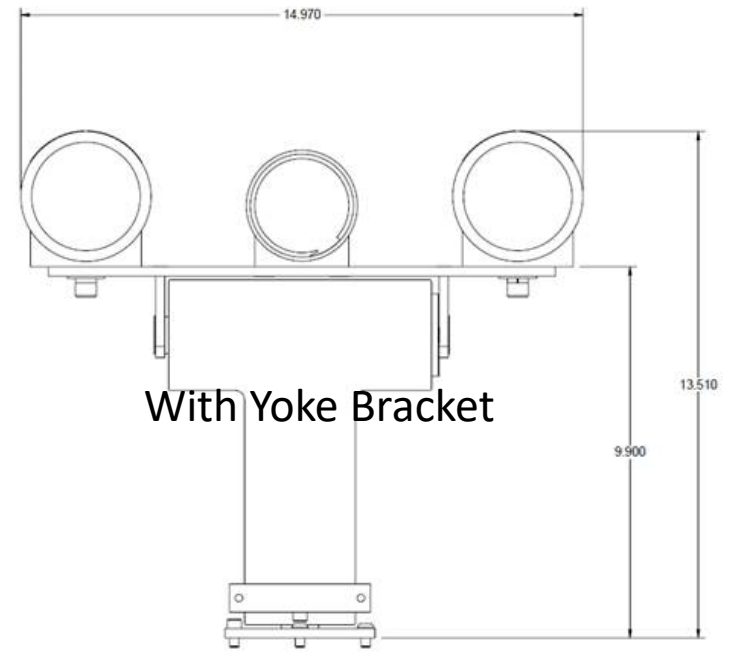

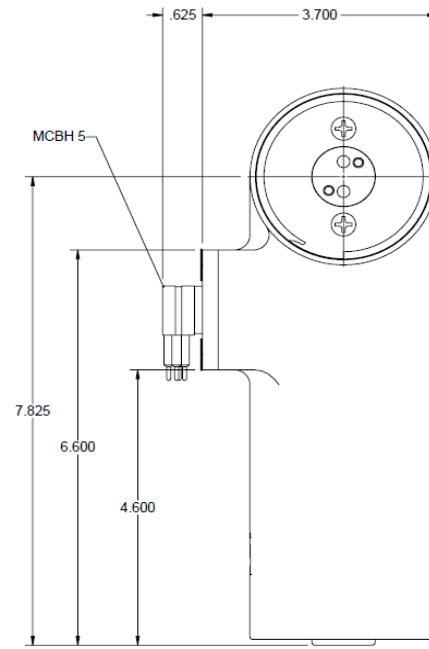

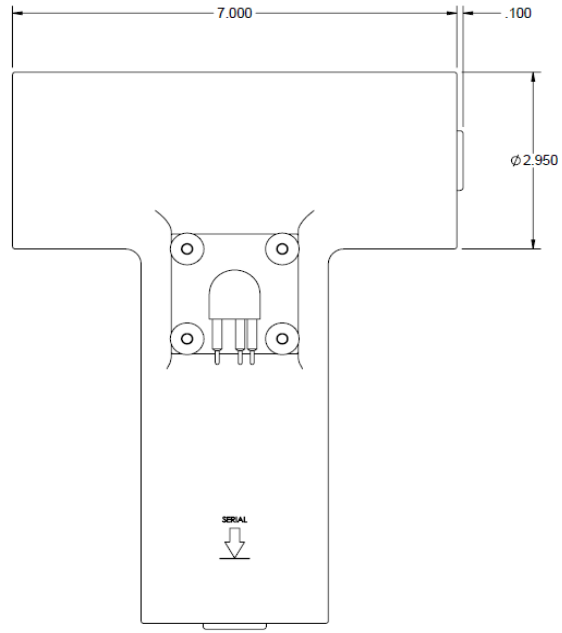

**Recommended Replacement:** Not applicable
